Tema design Hans Johansson, 1987. Bordet finns i flera storlekar mellan 550 mm till 1185 mm i diameter. Bordsstommarna utgörs av ramar, vilka enkelt monteras samman med beslag utan verktyg. Välj mellan glas, trä och skiffer i bordsskivorna. Borden tillverkas i bok, björk, björk/masurbjörk, mahogny natur och bets, körsbär och åtta lackfärger. Som tillbehör finns undre glasskiva och hjul. Tema fick utmärkelsen "Utmärkt Svensk Form" 1987.

Tema design Hans Johansson, 1987. This table comes in several sizes from 550 mm to 1185 mm in diameter. The underframes have easy-to-assemble fittings – no tools required. As for tabletops, you can choose from glass, wood or slate. The tables are made of beech, birch, masur birch (or "flamy birch"), natural mahogany, stained mahogany or cherry – or finished in a choice of eight coloured lacquers. Castors and an undershelf are available as optional accessories. Tema received the "Excellent Swedish Design" award in 1987.
