

Ondulé Screen

AB Karl Andersson & Söner

The product has been declared and approved according to the criteria in Möbelfakta:

Quality - Environment - Responsible supply chains

Description

Room divider with a frame made of round rods, a base with felt pads, is made of solid oak, ash, standard-stained, and white-pigmented oak and ash. The room divider comes in two heights and two widths and can be transparent, half-filled, or fully filled with felt in beige, anthracite, and light gray
