MONTERINGSANVISNING ASSEMBLY INSTRUCTION

1. Montera stålplattan på pelaren.
OBS! Dra bultarna hårt.
Assembly the steel plate on the pedestal.
Note! Tighten the bolts hard.

2. Skruva fast stålplattan på bordsskivan
Fasten the steel to the table top.

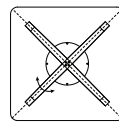

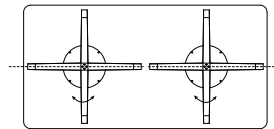

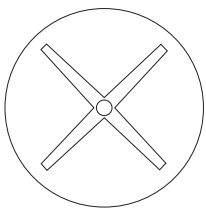

Fig. 4

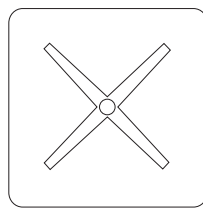

3. Skruva på foten på pelaren. Justera foten så den linjerar enligt fig 4.
OBS! Bultarna kan behövas efterdras efter en tid.
Fasten the foot to the pedestal. Adjust the foot so it will be in line according to fig 4.
Note! The bolts have to be re-tighten in time.

För att rikta bordet, använd ställskruvarna under de fyra fötterna.
To straighten up the table, use the adjusting screws in the four feet.

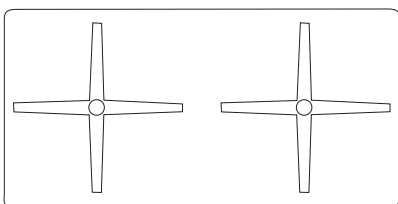

Fotkryss och pelarens placering på bordsskiva.
Foot and pedestal placed on table top.
